

# LYON COUNTY FLY-IN

[WWW.LYONCOUNTYFLYIN.ORG](http://WWW.LYONCOUNTYFLYIN.ORG)

October 3 & 4 2015 – Silver Springs Airport

The Lyon County Fly-In, a non-profit 501(c)(3) organization, will hold its annual event at the Silver Springs/Lyon County Regional Airport in Silver Springs, Nevada on October 3 & 4, 2015.

Sponsorship is a great “fit” for your community-oriented and promotional-minded company. You can get your message out, publicize your product and services, and boost name recognition while supporting this popular and well-attended event.

The Fly-In event is held to introduce aviation to the general public and the public to get up close and personal with pilots who build and fly their own airplanes.

The 2014 event was a huge success. The Fly-In and the Experimental Aircraft Association, Chapter 1073, flew 222 Young Eagles. The Fly-In’s Young Eagles program provides an opportunity for kids to experience the world of aviation and experience the thrill of flying. We can design a sponsor package with your company to be the **Naming Sponsor** for this premier Fly-In activity or any others that may fit your needs.

Our Goals include:

- Promote aviation and education through support of the "Young Eagles" program;
- Support our armed services by giving them a chance to interact positively with our attendees;
- Offer an opportunity to showcase Lyon County and attract visitors to the area;
- Provide a setting for businesses to showcase themselves, their products and all that they contribute to the community;
- Offer a forum for non-profit organizations in Lyon County to earn funds for their many worthwhile projects;
- Create a weekend of family fun for the residents and visitors of Lyon County.

We would appreciate having your support for the 2015 Lyon County Fly-In through a sponsorship and/or donation. You can sponsor a specific item or event at the Fly-In, such as the pilot breakfast, VIP chalet, children’s games, raffle, generator, registration tent, etc. Any contribution of \$350 or more will allow your organization the option to exhibit at the Fly-In at no additional cost. The Lyon County Fly-In is a 501(c)(3) nonprofit organization incorporated in Nevada. All contributions and sponsorships are fully tax-deductible.

Take a few minutes to visit our web site [www.LyonCountyFlyIn.org](http://www.LyonCountyFlyIn.org)

The Fly-In committee can work with you to customize a sponsorship program tailored specifically for your company. For further sponsor options, please contact Kay Bennett at 775-577-2111 or [kbennett@silverspringsairport.com](mailto:kbennett@silverspringsairport.com).

Come and see for yourself what a growing number of businesses in northern Nevada have discovered. By partnering with this successful event, you can boost your company profile through support and advertising with the Lyon County Fly-In.

Sincerely,  
*Lyon County Fly-In Committee*

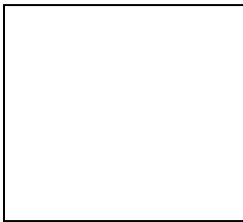

## Things you or your company can do to support our community!

Lyon County Fly-In needs sponsorship for these specific areas. You can become a **Naming Sponsor** or contribute to making sure we are able to hold all these activities.

- **Fuel for Young Eagles Pilots** – these pilots donate their time and their plane to make this the largest Young Eagles fly-in in the state.
- **Children’s Area and Activities** – coloring books, Styrofoam planes, face painting, safety fingerprinting, rocket building, bounce house and more to keep the kids active and happy.
- **Pilot and VIP Lounge** – a comfortable spot for pilots to relax after landing and before taking off; sponsors can talk to pilots in this relaxed atmosphere and share a beverage and a snack.
- **Pilot Breakfast** – the Fly-In hosts each pilot to a great pancake breakfast, including sausage, juice and coffee.
- **Goodie Bags** – each arriving pilot gets a “Goodie Bag” filled with merchandise, flyers, a certificate, and coupons from our sponsors.
- **Entertainment** – a great variety of music, singing and playing, to keep the atmosphere lively all day long.
- **Port-a-johns** – along with hand washing stations, a MUST at any community event.
- **Logistics** – Handling outside equipment and supplies, set-up including parking layout, tear down of tents, trash cans, and the parking area.

The Fly-in Committee can work with you to customize a sponsorship program tailored specifically for your company. For all sponsor options, please contact Ron Bell 775-220-0007 [rbell4570@aol.com](mailto:rbell4570@aol.com).
